

First hole-in-one

Democrat Photo

Jerry Smith, of Cassville, hit a hole-in-one on hole #11 at the Cassville Golf Course on Aug. 25. He was presented with a gold-plated putter by Les Jacobs, of Les Jacobs Ford-Mercury. The local dealership hands out these keepsake putters to anyone who gets a hole-in-one at the Cassville course. Smith used a sand wedge on the 125-yard drive. This is Smith's first hole-in-one. He has been golfing for a little less than a year. "I'm addicted to it," said Smith. "I'm off motorcycles and onto golf."
