

## LES JACOBS FORD MERCURY ADDS FIRST SALES WOMAN

Cassville, MO — Les Jacobs Ford Mercury welcomes Krystal Abromovitz, a long time sales team member at our Shell location, who recently joined the sales force in Cassville. Darrin Jacobs, General Manager of Les Jacobs Ford Mercury in Cassville, said, “We’re excited to have Krystal at our home location with her seasoned knowledge of Ford products, her Ford factory training and certification, and a long list of satisfied customers. Krystal has a great demeanor and doesn’t know a stranger. She goes out of her way to take care of her customers and promises to be a great asset in our sales department.”

“The Les Jacobs Ford Mercury philosophy is all about the customer,” said Krystal. “I believe in the Ford products and think everyone would benefit from driving a Ford. They are stylish, dependable and have very high safety ratings. Ford offers a vehicle to fit anyone’s budget and with the gas prices going up Ford offers the Escape Hybrid, which gets 34 mpg. I invite everyone to come in to shop for their next vehicle.”

Krystal is on the Board of Directors at Table Rock Federal Credit Union in Shell Knob and volunteers at the “Shakin’ in the Shell” Festival. Krystal and her husband Tom reside in Monett, Missouri.

Les Jacobs Ford Mercury sells Ford and Mercury vehicles with an award winning service department and body shop repair service. LJFM also sells Cannonball Haybeds, hay handlers, Ezhaul 7K and 10K Gooseneck Trailers and a 10 Ton Dual Tandem Equipment Trailer.
